Financial Report for KIDS Gathering 2010

INTRODUCTION

KIDS Gathering Party 2010 was held on Saturday, 26th June 2010, located at Bali Fun World, Batuan, Sukawati, Gianyar. The survivors of Bali bombing 2002, their families and all YKIP and KIDS's volunteers gathered together to preserve the relationship and integrity of the families as a big KIDS family by playing some games, celebrating the birthdays of the KIDS' children, acknowledging those children who did well in their academic or non-academic work, and distributing the school supplies for the KIDS's children. 125 participants attended the event and had fun together.

ACKNOWLEDGEMENTS

We would like to express our gratitude to the following donors that have given their wonderful support for this event:

- **Casa Luna** team through the Casa Luna Relief Fund donated Rp. 59.594.000 for KIDS Gathering operational costs (the event expenses, school supplies, etc)
- **Lloyd Hassencahl** for Rp. 1.000.000 that was donated for the event
- **Conrad Hotel** for a voucher that will allow the best student and his/her family to stay two nights at Conrad Hotel and enjoy the available facilities.
- **Bank Rakyat Indonesia (BRI)** for 12 saving accounts they gave for 12 best students, Rp. 200.000 each.
- **CIMB Niaga** for three saving accounts they gave for three best students, Rp. 100.000 each
- **Bali FunWorld** for the special discount and services they provided for the event

Without the above support, we would not be able to hold the great gathering this year.

FUN ACTIVITIES DURING THE EVENT

At 07.00 Am, the KIDS's families gathered at COURTS Ubung and left the base together to the venue with three buses and two vans. We took a group picture together before starting the activities.

The event was opened with the song "We Will Rock You", performed by YKIP Field Officer Deasy and five children who played jembe (drum). The children showed fantastic prowess after having only five minutes practice before the performance.

Ibu Rucina as the director of YKIP and Pak Purwanto as the chairman of YKIDS welcomed the families. Nari, representing the KIDS's children, gave a touching speech. On behalf of the KIDS's children, she expressed her gratefulness for the support given by all KIDS' donors that has enabled her and other children to continue their study. Without the donor's support, the hope of having a better education after being left behind by their parent due to the bomb would only be in their dreams.

The party was continued with a performance from Aldi & Alief (KIDS children) who sang "Aku Bisa," a great song for motivating the children; this song talks about the fact that there is nothing they cannot do if they want to try. Then, the event was continued with celebrating the birthdays of all KIDS' children. They sang "happy birthday" song together and then ate the birthday cake together. Novie, one of the KIDS children sang "Bunda" song to express her grateful for her beloved mother who has been looking after her very well. Indra, another KIDS child, also sang and played his guitar. This event has become the place where some children could show off their talent in front of the KIDS families. In addition, each child received a birthday present given by Casa Luna & YKIP.

After having fun celebrating their birthdays, the children and their families continued their fun day through games. The first game was organized by the team of Bali Fun World. All participants were divided into groups. The games were in relay race system. After the group game, they continued with individual games, such as: stick fighting, rodeo, climbing, trampoline and sumo.

After enjoying playing many kinds of games, all participants enjoyed having lunch together.

The last session of the event was acknowledging all the best students and distributing the school supplies for all KIDS' children.

Before announcing who deserved to get prizes this year, we first distributed some prizes for the competition winners.

The criteria for having "Children with best achievement" are as follows:

- Academic Performance
- Had report grade which is equal to or higher than 8.0 and/or
- Ranked 1-3 in their class
- Non-Academic Performance
- Received ranking of 1-5 in non-academic competition

The Best Students

Best Students for Non-Academic Achievement for second semester of academic year 2008/2009 and first semester of academic year 2009/2010:
