## MANAGEMENT BOARD & CEO's REPORT

To Donors, Potential Donors, Members of the Advisory and Supervisory Board and Active YKIP Members.

In 2005 YKIP received donations of Rp. 400,371,904 (approximately US \$42,000) in unrestricted and Rp. 4,048,537,818 (approximately US \$426,000) in restricted<sup>1</sup> donations. This was an increase of 65% and 257% respectively over 2004. The Annika Linden Foundation was again our biggest donor contributing Rp. 2, 628,675,354 or 65% of the restricted donations. The increase in donations is due to the growing reputation of YKIP as well as a response to the Bali bombings in October 2005.

As a consequence of these donations we were able to increase our spending to Rp. 1,771,458,049 (approximately US \$186,000) up from Rp. 997,446,561 (approximately US \$105,000) or by 77% from 2004. The discrepancy between donations and expenses is because almost all our projects are multi year commitments with the donation being used, for example, to fund a child's education for several years. In fact unrestricted reserves stand at only Rp. 195,223,637 (US \$20,000) at the year end. It is the Board's policy to keep an operating reserve so as to ensure YKIP can deliver on its commitments.

General and Administrative expenses were Rp. 108,356,242 (approximately US \$11,000) representing 2% of donations and 6% of spending. It is a tribute to our permanent staff and volunteers that we were able to hold expenses so low.

Our projects are fully described in a separate and detailed report however in summary they were as follows.
